AUDIO MP3 DISCS

We have decreased the Suggested Donation amount on all our MP3 discs. This is due to the elimination of vinyl albums and paper title inserts. All discs now come with a simple label and a clear plastic clamshell case. More titles will be added as old cassette conversion continues, especially with Topical Studies and Sermon Discs. Our web site will reflect such additions long before the next catalog is published. www.biblebaptistpublications.org

MELTON MESSAGES

Printed *Melton Messages* differ from the audio messages in that they are more brief and straight to the point since they do not include the “rabbit chasing” found in many of the recorded sermons. This is excellent sermon material for preachers, or it can be used to minister to just about anyone. The following is a list of the messages currently available. *Permission is granted for duplication so long as messages are distributed FREELY and nothing in the text or title is changed.* Each message comes printed on high quality 60 lb. paper and pre-punched with holes for three ring binding. *SD: \$1.00 per message.*
